Participation in the Texas Tuition Promise Fund<sup>®</sup> does not guarantee admission to or graduation from any college or university. Only the named purchaser may direct redemptions, withdrawals, changes in the designated beneficiary or other contract changes.

Non-residents of Texas should consider whether their home state, or the beneficiary's home state, offers its residents any state tax or other state benefits, such as financial aid, scholarship funds, and protection from creditors that are only available for participants in that state's 529 plan.

A contract, including the amount contributed, and any amount applied as a benefit or paid as a refund, is not guaranteed, insured or treated as a deposit or other obligation by the state of Texas, the FDIC, the Texas Prepaid Higher Education Tuition Board, any other state or federal governmental agency or Orion or its affiliates. The contracts have not been registered with or approved by the U.S. Securities and Exchange Commission or with any state.

Purchasers should carefully consider the risks, administrative fees, service and other charges and expenses associated with the contracts, including Plan termination and decreased transfer or refund value. Transfer value applies to tuition redemption at Texas private colleges and universities, out-of-state colleges and universities, medical and dental schools and career schools. Match the Promise Foundation scholarships can only be used at Texas public colleges and universities, and transfer value cannot be utilized. Transfer value is limited to the lesser of (1) the costs the Tuition Unit would cover at a public college or university or (2) the original purchase price of the Tuition Unit plus or minus the Plan's net investment earnings or losses on that amount. Orion Advisor Solutions, Inc., serves as plan manager of the Plan. The Plan Description and Master Agreement contains this and other information about the Plan and may be obtained by visiting [TuitionPromise.org](http://TuitionPromise.org) or calling 800-445-GRAD (4723), option #5. Purchasers should read these documents carefully before purchasing a contract.
